

# US

## Oklahoma City

Debut Double LP · 2026

1 take at Ares Studio

Photographed May 22, 2026

*US embarked on a sonic journey to create the most authentic recording. Experience a performance by real musicians, free from the limits of samples, loops, and autotune. Designed to be played on a premium turntable. On vinyl, drop the needle and truly immerse with US. And nothing compares to US live.*
